RESILIENT HONG KONG JEWELLERY SHINES INTO 2026

香港珠寶步履不息，韌勢前瞻 2026

Hong Kong remains Asia's beating heart of jewellery trade in 2026. 2026 年，香港依然是亞洲珠寶貿易的心臟。

Hong Kong's fine jewellery sector — a long-standing pillar of the city's export economy — displayed remarkable fortitude in 2025, weathering volatile gold markets, slowing global growth and evolving consumer habits.

For the first ten months of 2025, exports reached HK\$68.85 billion, up from HK\$68.01 billion a year earlier, according to the Census and Statistics Department. Though the rise was modest, it signalled stabilisation in a challenging year and reaffirmed the industry's adaptive strength. Exporters pivoted towards ASEAN markets, embraced design innovation and tailored offerings for a younger, self-directed generation of buyers.

Fine jewellery continues to dominate Hong Kong's domestic scene, accounting for 95 percent of total sales in 2025, according to Vyansa Intelligence. Globally, the BoF-McKinsey's State of Fashion 2026 report identifies jewellery as fashion's fastest-growing category, with unit sales forecast to surge 4.1 percent annually between 2025 and 2028 — quadruple the growth rate of apparel.

Reading the data: A year of contrasts

The United States remained Hong Kong's largest destination, though shipments fell by a third from the first 10 months of 2024 to the same period in 2025 as inflationary pressures and soaring bullion dampened mid-market demand. Gold exceeded

US\$4,000 per ounce, its highest on record, according to the World Gold Council (WGC).

By contrast, Macao extended its post-pandemic revival with a 10.5-percent rise, bolstered by tourism and casino-driven retail. Switzerland also posted double-digit growth, reaffirming its position as a re-export hub for luxury houses.

Standout performances came from Singapore, Japan and Thailand, with respective increases of 76 percent, 101 percent and 28 percent. Singapore's rise reflected its growing wealth hub status; Japan's surge was powered by the return of accessible luxury; and Thailand symbolised ASEAN's broader expansion.

Together, these trends confirm Asia as the stabilising axis of Hong Kong's fine jewellery exports.

ASEAN in the spotlight

The ASEAN bloc emerged as 2025's star performer, registering a 45.8-percent jump in import value to HK\$8.58 billion by October.

This momentum stems from robust economic growth in Singapore, Thailand, Malaysia and Vietnam, coupled with expanding middle classes and rising sophistication among consumers. The Regional Comprehensive Economic Partnership (RCEP) further eased tariffs and improved trade efficiency, unlocking access for Hong Kong exporters.

Southeast Asia's younger buyers increasingly view fine jewellery as self-expression rather than symbol of status. The BoF-McKinsey study reveals 75 percent of global buyers share this sentiment, making Hong Kong's design-led makers natural partners for ASEAN's modern luxury retailers.

As Singapore and Thailand strengthen their retail landscapes, Hong Kong jewellers are evolving into design collaborators for regional brands, fusing contemporary aesthetics with Asian symbolism.

Hong Kong's fine jewellery exports in value terms, January – October 2025

Ranking	Market	2025 (Jan-Oct)	2024 (Jan-Oct)	Change %
1	USA	9,291,159	13,973,663	-33.5

	EU	5,929,495	6,201,376	-4.4

Source: Census and Statistics Department, HKSAR government.

Mainland China: Consolidation, not contraction

Mainland China's imports fell 8.4 percent to HK\$8.58 billion, reflecting market normalisation after the strong rebound of 2024 and the burden of high gold prices. Yet demand remains structurally sound.

Young Chinese consumers continue to see jewellery as both emotional and financial investment, favouring pieces that blend authenticity, artistry and innovation. Leading Hong Kong brands — notably Chow Tai Fook and Chow Sang Sang — have excelled in this space through minimalist storytelling, digital engagement and cross-cultural design.

Mature markets: Reinvention & responsibility

In the United States and Europe, 2025 brought structural realignment. American demand softened, yet consumers became more discerning about sustainability and traceability. In response, jewellery makers have introduced transparency measures to maintain trust.

Europe presented a mixed picture: while exports to Italy rose 10 percent, shipments to the EU overall slipped 4.4 percent. Nonetheless, European jewellers continue to value Hong Kong's technical excellence in gem-setting and avant-garde design.

The continent's pivot toward circular luxury — refurbishing heirlooms, reusing metals and restoring gems — opens fresh opportunities. Exporters boasting recycling and material recovery capabilities are well-placed to meet forthcoming "green" procurement requirements from leading maisons.

The gold paradox

Gold's extraordinary surge in 2025 — up over 60 percent, setting more than 50 record highs — was both blessing and burden. While reinforcing jewellery's role as a store of value, it inflated production costs.

Hong Kong makers responded creatively: crafting lighter 18-karat alloys, mixing gold with silver or platinum, and emphasising design over weight. At the same time, they leveraged gold's investment appeal, promoting jewellery as both adornment and financial safeguard amidst geopolitical tension.

Changing consumption: Self-expression & inclusion

The most profound transformation of 2025 was psychological. Jewellery's meaning is expanding from gifting to personal empowerment. According to BoF and McKinsey, 42 percent of women and 35 percent of men now buy jewellery for themselves more often than just a few years ago.

This "treat-yourself" movement, underpinned by women's rising spending power, is redefining product development. Hong Kong brands are seizing this moment with affordable fine jewellery — pieces in the HK\$800–3,000 range combining craftsmanship, sustainability and modern design.

A pivotal force in this democratisation is the rise of lab-grown diamonds. The Dubai Multi-Commodities Centre (DMCC) estimates the market at US\$25–35 billion, projected to double by 2030. The United States, Hong Kong's top market, leads global demand, with traction building in Europe, India, China and the Middle East.

Priced 80–90 percent lower than mined stones, lab-grown

The Heaven and Earth necklace by Chow Tai Fook Jewellery
周大福珠寶「天圓地方」項鍊

diamonds are positioning fine jewellery as an everyday luxury. Forward-thinking designers are crafting both synthetic-only and hybrid creations, blending natural and lab-grown gems to deliver authenticity, innovation and value.

Reinventing brand identity

As competition intensifies, brand distinctiveness has become paramount. The BoF–McKinsey study shows 61 percent of global consumers — and 82 percent in China — prioritise brand image in purchase decisions.

Jewellery houses are responding with artistic collaborations, cultural storytelling and refreshed visual branding. Partnerships between jewellers and contemporary artists have amplified emotional resonance, while concept stores are transforming into immersive "experience galleries."

The 2026 outlook: Opportunity with discipline

Looking ahead, optimism remains cautious. Jewellery continues to be one of luxury's most resilient sectors, even as other fashion categories fluctuate. Growth in 2026 is expected to be steady rather than spectacular, with macroeconomic headwinds balanced by diversification and digital expansion.

To sustain competitiveness, Hong Kong jewellery practitioners may:

1. Deepen ASEAN partnerships — Strengthen marketing across Singapore, Thailand, Vietnam and others under the RCEP framework.
2. Balance gold exposure — Develop platinum, silver and mixed-metal collections.
3. Expand digital trade — Enhance presence on online sourcing platforms and virtual fairs with integrated e-catalogues.
4. Champion sustainability — Adopt traceability and recycling initiatives aligned with Western ESG standards.
5. Invest in design and storytelling — Fuse technology and culture to reinforce Hong Kong's creative leadership.

Conclusion: Reinventing the jewellery hub

The story of 2025 is not one of decline but reinvention. Hong Kong's fine jewellery industry proved its ability to adapt and thrive amid shifting global dynamics. The ascent of ASEAN, evolving consumer psychology in China, and the rise of identity-driven jewellery all point to a market in motion.

As 2026 unfolds, Hong Kong remains Asia's beating heart of jewellery trade — a nexus of heritage and innovation, craftsmanship and commerce. For manufacturers and designers willing to invest in creativity, digital sophistication and sustainability, the lustre of Hong Kong's jewellery will not dim. It will shine in a new, inclusive and globally connected light.

香港的珠寶業，作為本地出口經濟的長期支柱，在 2025 年展現了非凡的韌性，成功應對了動盪的黃金市場、全球增長放緩以及不斷演變的消費習慣。

根據政府統計處數據，2025 年首 10 個月的出口總額達 688.5 億港元，較去年同期的 680.1 億港元有所增長。儘管升幅溫和，但在充滿挑戰的一年中標誌著市場趨於穩定，並再次印證了行業的適應能力。出口商轉向東盟市場，擁抱創新設計，並為崇尚自主的年輕消費者量身定製適合他們的款式。

根據 Vyansa Intelligence 的數據，高級首飾繼續主導香港本地珠寶市場，在 2025 年佔總銷售額的百分之九十五。在全球層面，BoF—McKinsey 的《時尚產業報告 2026》將珠寶確定為時尚產業中增長最快的類別，預計在 2025 年至 2028 年間，單位銷售量每年將飆升百分之四點一，是服裝增長率的四倍。

解讀數據：充滿對比的一年

美國依然是香港最大的出口地，但由於通脹壓力和金價飆升抑制了中端市場需求，出口總值從 2024 年 1 月至 10 月到 2025 年同期下降了三分之一。根據世界黃金協會（WGC）的數據，金價曾突破每盎司 4,000 美元，創下歷史新高。

相比之下，澳門在旅遊和博彩業帶動零售的支持下，延續了疫情後的復蘇勢頭，出口額增長了百分之十點五。瑞士也錄得雙位數增長，鞏固了其作為奢侈品牌轉口樞紐的地位。

表現尤為突出的是新加坡、日本和泰國，分別增長了百分之七十六、百分之一百零一和百分之二十八。新加坡的增長反映其作為財富管理中心地位日益提升；日本的激增得益於「輕奢」風潮的回歸；而泰國則象徵著東盟地區更廣泛的擴張。

總體而言，這些趨勢確認了亞洲成為穩定香港珠寶出口的中流砥柱。

東盟備受矚目

東盟成為 2025 年的明星市場，2025 年截至 10 月，進口價值躍升百分之四十五點八，達到 85.8 億港元。

這個動能源自新加坡、泰國、馬來西亞和越南強勁的經濟

5+2 by JN 「Cuff Mania Charisma」珍珠配彩寶耳飾

增長，加上中產階級不斷擴大，消費者日漸成熟。《區域全面經濟夥伴關係協定》亦進一步降低了關稅，並提升了貿易效率，為香港出口商打開了東盟市場大門。

東南亞的年輕買家日益將珠寶首飾視為自我表達，而非身份象徵。BoF—McKinsey 的研究顯示，全球百分之七十五的買家持相同看法，令以設計主導的香港珠寶製造商，自然成為東盟現代奢侈品零售商的理想合作夥伴。

隨著新加坡和泰國加強其零售環境，香港珠寶商正逐步轉型為區內品牌的設計合作夥伴，將當代美學與亞洲象徵意義融為一體。

中國內地：整固而非萎縮

中國內地的進口額下降百分之八點四至 85.8 億港元，反映了市場在 2024 年強勁反彈後趨於正常化，以及高金價帶來的影響。然而，在結構上，需求依然穩健。

中國年輕消費者繼續將珠寶視為情感與財務的雙重投資，偏愛融匯真實性、工藝與創新的設計。香港領先品牌如周大福、周生生等，透過簡約敘事、數位互動和跨文化設計，在此領域表現卓越。

成熟市場：革新與責任

2025 年，美國和歐洲市場出現了結構性調整。美國需求放軟，但消費者對可持續性和可追溯性的重視卻與日俱增。要回應這些需求，製造商在經營上增加透明度，以維持消費信心。

歐洲市場表現參差：雖然對意大利的出口增長了一成，但對歐盟整體的出貨額下降了百分之四點四。儘管如此，歐洲珠寶商依然看重香港在寶石鑲嵌首飾和前衛設計方面的卓越工藝。

歐洲轉向永續時尚，珠寶商透過翻新傳家首飾、重用金屬和修復寶石等，開闢了新的機遇。擁有回收和材料再生能力的製造商，將能很好地滿足頂級品牌即將實施的「綠色」採購要求。

黃金的悖論

黃金在 2025 年錄得異常飆升，漲幅超過六成，創下超過 50 次歷史新高，其影響可謂好壞參半：在強化珠寶保值功能的同時，也推高了生產成本。

香港製造商以創意應對金價問題，打造更輕量的 18K 合金，將黃金與白銀或鉑金混合，並強調設計而非重量。同時，他們利用黃金的投資吸引力，在地緣政治緊張局勢中，推廣珠寶兼具裝飾與財務保障的雙重功能。

消費轉變：自我表達與包容性

2025 年最深刻的轉變是心理層面的。珠寶的意義正從饋贈禮品擴展到個人賦權方面。根據 BoF - McKinsey 的數據，百分之四十點二的女性和百分之三十五的男性表示，相比幾年前，他們現在更經常購買首飾自用。

這場「寵愛自己」的風潮，在女性消費能力提升的支持下，正在重新定義產品開發的方向。本地品牌可把握時機，推出價格在 800 至 3,000 港元之間、集工藝、可持續性與現代設計於一身的輕奢首飾。

實驗室培育鑽石的興起是這場普及化的關鍵力量。杜拜多種商品交易中心（DMCC）估計，該市場規模達 250 至 350 億美元，預計到 2030 年將翻倍。香港的最大市場美國引領全球需求，在歐洲、印度、中國和中東地區也日益受到歡迎。

培育鑽石價格比天然鑽石低八至九成，市場定位為日常奢侈品。目光遠大的設計師正推出純培育鑽石或混合天然與合成寶石的設計，一種集真實、創新與價值於一身的產品。

重塑品牌形象

隨著競爭加劇，品牌獨特性已變得至關重要。BoF—McKinsey 研究顯示，全球百分之六十一的消費者（在中國更高達百分之八十二）表示，在購買決策中會優先考慮品牌形象。

珠寶商透過藝術合作、文化敘事和全新的視覺形象來回應這個需求。透過與當代藝術家合作，增強情感共鳴。把概念店轉型為沉浸式的「體驗藝廊」也是加深消費者對品牌認知的良策。

2025 年 1-10 月香港貴重首飾出口總值

（單位：千港元）

2026 年展望：抓緊機遇按部就班

展望珠寶行業的未來，是樂觀中帶審慎。即使其他時尚品類波動，珠寶首飾仍然是奢侈品中最具韌性的領域之一。預計 2026 年的增長不會一飛沖天，而是穩步向前。行業將以市場多元化和數位升級平衡宏觀經濟的逆風帶來的影響。

在逆風中維持競爭力，香港珠寶商可抓緊以下機遇：

1. 深化東盟合作夥伴關係——在 RCEP 框架下加強於新加坡、泰國和越南等的市場營銷。
2. 平衡黃金風險——開發鉑金、白銀和混合金屬產品系列。
3. 擴展數位貿易——透過整合電子目錄，加強在線上採購平台和虛擬展會上的影響力。
4. 倡導可持續性——採納符合西方 ESG 標準的可追溯性和回收計劃。
5. 加強設計與敘事——融合科技與文化，鞏固香港的創意領導地位。

結語：革新珠寶樞紐

綜觀 2025 年，是革新而不是衰退。在全球動態變化中，香港珠寶業展示了它的適應和蓬勃發展的能力。東盟的崛起、全球消費心態的轉變，以及消費者對身份認同的重視，都顯示我們正處於一個不斷轉變的珠寶市場。

隨著 2026 年的展開，香港依然是亞洲珠寶貿易的心臟——一個傳承與創新、工藝與商業的交匯點。對於願意投資於創意、加強數位化和可持續發展的製造商和設計師而言，香港珠寶的光輝將延續下去，並以一種嶄新的、包容的、與全球緊密相連的光芒持續閃耀。

SETTING THE TONE: SEVEN DEFINING JEWELLERY TRENDS FOR 2026

2026 七大珠寶潮流趨勢

As 2026 approaches, jewellery is no longer just an accessory — it has become a powerful language of expression. The global design narrative is turning away from understatement and precision, steering instead toward pieces that project individuality, texture, and emotion. The minimalism that once dictated taste is fading fast, replaced by forms that are personal, dimensional, and unapologetically bold.

Drawing insight from runways, consumer behaviour, and cultural shifts, the following seven movements define the artistry and direction of fine jewellery for 2026. These are the designs shaping what we will wear, craft, and covet in the year ahead.

1. Golden revival: The return of bold yellow gold 黃金回歸：霸氣黃金的華麗轉身

After several years where rose and white tones dominated, yellow gold has re-emerged as the metal of warmth and power. This revival is defined not by daintiness but by assertive, well-balanced design. Heavy gold rings, broad cuffs, and medal-like pendants exude a sense of permanence — jewellery that anchors rather than decorates.

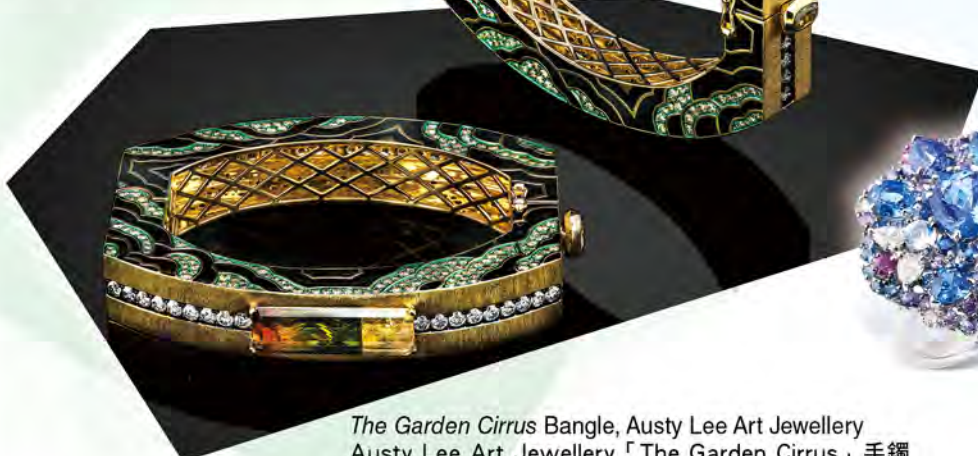

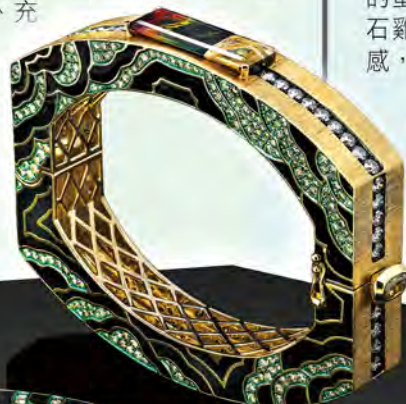

The shift toward larger, more sculptural gold forms reflects an emotional desire for confidence and optimism. Gold carries with it an ancestral familiarity — it feels eternal. Contemporary designers are refining gold's exuberance through cleaner surfaces, architectural lines, and exaggerated proportions.

Worn singly or stacked thoughtfully, yellow gold's glow pairs beautifully with earthy palettes and deep tones. It symbolises resilience — a fitting energy for 2026.

在玫瑰金與白金色調主導數年後，黃金以溫暖而充滿力量之姿重新登場。這次回歸不以精緻小巧出現，而是以充滿自信、比例完美的設計為特色。厚重的黃金指環、寬手鐲與獎章形吊墜彰顯首飾的不朽。珠寶就是主角，不是點綴。

黃金首飾朝向更大型、更具雕塑感的形態邁進，反映了人們對自信與樂觀的情感渴求。自古以來，黃金代表永恆。當代設計師正透過更簡潔的表面處理、充滿建築感的線條，以及誇張的比例，來帶出黃金的絢爛。

無論單獨佩戴或精心疊搭，黃金的璀璨光澤無論搭配大地色系抑或深沉色調皆游刃有餘。它象徵著韌性——正是 2026 年珠寶行業需要的能量。

The Garden Cirrus Bangle, Austy Lee Art Jewellery
Austy Lee Art Jewellery 「The Garden Cirrus」手鐲

來到 2026 年，珠寶首飾早已超越配飾的層次，成為一種充滿力量的自我語言。全球珠寶設計正從低調精緻轉而擁抱能彰顯個性、質感與情緒的創作。曾主導審美的極簡主義正在急速引退，取而代之的是充滿個人特色、立體感強，以及盡情誇張的形態。

本刊從國際時裝秀、消費行為及文化變遷中汲取靈感，歸納出七大珠寶設計趨勢，為 2026 年珠寶的藝術風貌與方向建立基調。這些設計，啟發我們將要創作、佩戴或渴望擁有的首飾類型。

2. Colour alchemy: Gemstones as languages of emotion 色彩煉金術：寶石成為情感語言

The conversation around gemstones in 2026 is rich with meaning. As colour returns to every facet of design — fashion, interiors, and art — fine jewellery mirrors this resurgence with a bold embrace of bright, emotive gemstones.

Designers are rediscovering expressive palettes: sapphire blues for protection, emerald greens for renewal, amethyst purples for individuality, and opal iridescence for transformation. The boundaries of coordination are blurring. Mismatched earrings, multi-stone cocktail rings, and pendants combining different hues offer a joyful, curated imbalance that captures personality.

Coloured gemstones also reflect an ethical and symbolic shift. With growing awareness around mining impact, lab-grown and vintage stones are increasingly celebrated as genuine luxury alternatives. The choice of colour in jewellery now expresses both aesthetic and personal conscience — proof that beauty and mindfulness can coexist brilliantly.

到了 2026 年，寶石蘊藏的意義備受注目。當時裝、室內設計與藝術等各個領域重拾色彩，珠寶首飾也以擁抱鮮明奪目、充滿情感的彩寶回應這股浪潮。

珠寶設計師重新發掘富有表現力的色譜，如象徵守護的藍寶石、代表重生的祖母綠、彰顯獨特性的紫水晶，與寓意變化的蛋白石虹彩。所謂和諧的界線逐漸模糊。不對稱耳環、多寶石雞尾酒指環與混色吊墜，創造出愉悅而精心策劃的不平衡感，巧妙捕捉個人特質。

彩寶也反映了道德與象徵意義的轉變。隨著大眾越來越關注寶石開採帶來的影響，合成寶石與古董寶石日益被視為真正奢華的替代品。如今，珠寶首飾的色彩選擇表達了美感與個人的良知，證明美學與正念能夠精彩共存。

Monet earrings and ring, Green G
Green G 「Monet」耳環和指環

3. Sculptural geometry: Jewellery as wearable art 立體幾何學：可佩戴的藝術品

Sculptural design continues to shape contemporary fine jewellery with new ambition. Designers are constructing forms that stand as statements of geometry and space. Curves, folds, and linear intersections transform metal into micro-architecture for the body.

Fine jewellery workshops are experimenting with dimensional casting, repoussé, and organic shaping techniques that give pieces an almost engineered grace. Rings twist like ribbons; cuffs resemble spirals of metal in motion; pendants echo the poise of small sculptures.

This sculptural direction invites both tactile engagement and intellectual intrigue — jewellery as art object. It bridges modernism and intimacy, allowing the wearer to literally inhabit design. As consumers continue to seek craftsmanship with emotional value, sculptural forms signal mastery and originality at once.

融合雕塑美學 的設計正大步邁進當代首飾的殿堂。設計師更致力建構能明確展現幾何與空間的形態。透過曲線、摺痕與線性交錯，用金屬鑄造佩戴者身上的微型建築。

有珠寶製造商正積極研發立體鑄造、敲花工藝與有機塑形技術，賦予作品一份匠心的優雅。指環如絲帶般扭轉，手鐲似流動的金屬螺旋，吊墜以小型雕塑的姿態搖曳生輝。

這股雕塑風開啟了觸覺互動與智性探索。珠寶就是一件藝術品，融合現代主義與親密關係，讓佩戴者與設計融為一體。今天，消費者十分重視能彰顯情感價值的工藝技術。宛如雕塑的設計，除了工藝精湛，還具備原創性。

Muse ring in gold-plated silver with cold enamel and frosted gold, Thinking Daisy
Thinking Daisy 「Muse」鍍金白銀冷琺瑯霜金指環

4. The silver renaissance: Sculpted, chunky & confident 白銀復興：雕塑感、厚實度與自信光芒

The momentum behind silver is building into a full-scale renaissance. As gold continues its rise in value, silver's adaptability and modern appeal are bringing it to the forefront of fine jewellery once more. What distinguishes 2026 silver from earlier iterations is volume and confidence: pieces are thicker, weightier, and sculptural, presenting form as the main attraction.

Silversmiths and designers alike are exploring fluid, folded, and abstract silhouettes — works that feel like miniature sculptures for the body. What was once a supporting metal is now the statement itself. Beyond affordability, silver's appeal lies in its neutrality; it complements both warm and cool wardrobes and transcends gendered styling.

Expect molten finishes, geometric bangles and art-inspired cuffs to dominate showcases, speaking to a clientele that values originality as much as shine.

強勢的白銀正醞釀著一場全面性的復興。隨著金價持續攀升，白銀的可塑性與現代感使其重新成為珠寶舞台的焦點。2026 年的白銀首飾與過往截然不同。新設計將更具份量、更厚重，充滿雕塑感，以造型引人注意，表現出無比的信心。

銀匠與設計師們紛紛向流動、摺疊與抽象輪廓的方向進行探索，把銀飾打造成身體上的微型雕塑一樣。這種昔日的配角，如今成了宣言。白銀價格平實，其中性的特質更是魅力所在，與冷色系或暖色系的衣服都搭配得當，而且男女皆宜。

熔岩質感表面處理、幾何手鐲，以及藝術手環等銀飾將大行其道，向重視原創性和閃耀光芒的客群發出宣言。

Silver Mokume Gane rings, Ponk Smithi
Ponk Smithi 白銀木目金指環

String Quintet silver jewellery, 5+2 by JN
5+2 by JN 「String Quintet」白銀首飾

5. Rhythms of layering: Stack, build & compose 層疊的韻律：堆疊、構築與組合

Layering has evolved into a sophisticated form of personal styling. Where once balance was key, now asymmetry creates allure. In 2026, the curated stack — of bracelets, rings, or chains — symbolises freedom, individuality, and narrative depth.

Jewellery houses are supporting this movement with more modular designs: linkable elements, adjustable clasps, and multi-length chains that lend themselves to creative composition. The result feels intuitive and lived-in — jewellery collected across journeys, gifts, and memories, rather than as part of a single matching set.

The rhythm of layering also reflects our cultural mood: less perfection, more authenticity. It's jewellery worn with spontaneity — a reflection of one's evolving life rather than a static ensemble.

疊戴已發展為一種精妙的個人風格表現。過去強調平衡和諧，如今不對稱反而充滿魅力。在 2026 年，把幾枚手鐲、指環或項鍊疊戴起來，展現對自由、個性與敘事深度的嚮往。

不少珠寶品牌推出模組化設計趕上這股風潮，透過可連接的部件、可調節的扣環與多種長度的鏈條，讓消費者自由組合，發揮創意，憑直覺出發，讓珠寶首飾成為生活的一部份，把代表著某個旅程、某件禮物、某段往事的珠寶混戴起來。珠寶首飾，再也不是固定的選擇。

疊戴的韻律也反映了我們的文化情感：少一點完美，多一點真實。這種隨性佩戴的風格，正好告訴我們，生命是流動而非靜止的。

Gabriel & Co 「Soraya Gold Wave」指環

Dual Charm rings and Power Rainbow bracelets, 5+2 by JN
5+2 by JN 「Dual Charm」指環及「Power Rainbow」手鐲

6. Nature reimagined: Organic beauty & sustainable glamour 重構自然：有機美學與永續魅力

As environmental awareness becomes integral to luxury, nature is reclaiming the jewellery aesthetic — not as imitation but as inspiration. Expect to see organic forms, raw textures, and biomorphic silhouettes echoing coral branches, shells, and leaves.

This trend embodies "sustainable glamour": opulent yet responsible. Designers are using recycled precious metals, lab-grown stones, and traceable sourcing to align beauty with ethics. Nature's irregularities are celebrated — baroque pearls, uncut gemstones, and asymmetric contours replace sterile symmetry.

This movement represents an emotional return to authenticity. In a digital society, jewellery that feels tactile, natural, and soulful offers genuine comfort. It reminds wearers of their connection to Earth — a poetic counterbalance to our ever-evolving technology-driven world.

環保意識已經成為奢侈品不可忽略的一部份，大自然正重奪珠寶的美學話語權，它不再是模仿的對象，而是靈感的泉源。在珠寶設計的領域，將看到很多有機形體、原始質感與生物形態的輪廓，與珊瑚枝、貝殼與葉脈互相呼應。

此趨勢體現了「永續發展的魅力」：華麗而負責任。設計師運用回收貴金屬、實驗室培育寶石與可追溯來源的材料，將美學與道德倫理相結合。大自然的不規則性將備受推崇，變形珠、寶石原石與不對稱輪廓即將取代刻板的對稱。

這股浪潮代表著情感上對本真的回歸。在冰冷的數碼化社會中，觸感溫潤、自然、滿載靈性的珠寶首飾，為我們提供真實的慰藉。它提醒佩戴者與地球的連結，為不斷被科技驅動向前的世界帶來充滿詩意的平衡。

Green G 「連理枝」指環

7. Modern heirlooms: Charms, locket & personal storytelling 現代傳家寶：吊飾、盒式吊墜與個人敘事

In an age of digital uniformity, people are seeking jewellery that tells their story. The charm bracelet and locket — once nostalgic keepsakes — have evolved into deeply meaningful pieces for a new generation.

These modern heirlooms express identity through layers of sentiment: initials, symbolic motifs, spiritual emblems, engraved coordinates, birthstones, and memory-inspired tokens. The craftsmanship is sophisticated rather than playful, focusing on subtle details and emotional resonance.

Customisation is becoming central to fine jewellery — not as novelty, but as legacy. Consumers want to co-author their pieces, influencing everything from gemstone choice to engraving style. Personalisation is not merely a trend; it's a new foundation for emotional luxury.

在數碼化的年代，人們愈發尋求能表達自我的珠寶首飾。吊飾手鏈與盒式吊墜這些曾承載懷舊情感的信物，已成為對新一代具有深刻意義的產品。

這些現代傳家寶透過多重情感表達身份認同，包括字母縮寫、象徵圖案、精神符號、刻印座標、誕生石與承載記憶的標記等。這些首飾著重工藝技術而非趣味性，聚焦於微妙細節與情感共鳴。

客製化正成為珠寶首飾發展的核心。不以新奇取勝，而是為了傳承。消費者渴望參與產品的創作，從寶石選擇到雕刻風格，都希望留下個人的印記。個人化不僅是趨勢，更是情感奢華的新基石。

Asian Zone: Timeless creations for the New Year 匯聚永恆工藝 — 亞洲展區

Let's welcome the New Year with fresh inspirations at Vicenzaoro January. This year, the Asian Zone will be hosting nearly 90 exhibitors from the region. As the fair undergoes its transition, the Asian Zone continues to shine as a hub of craftsmanship and innovation, offering visitors a showcase of exquisite craftsmanship and contemporary design. The 2026 edition not only celebrates renewal in the spirit of the Lunar New Year but also provides a glimpse of Asia's growing influence on the global Jewellery stage — where heritage takes root and blossoms into a harmonious blend of East and West.

新年伊始，意大利維琴察珠寶展作為 2026 年首個國際珠寶展，將繼續為珠寶同業及愛好者帶來嶄新的靈感。今年，亞洲展區將雲集近 90 家參展商，呈現區內最精湛的珠寶設計與工藝。維琴察展於 2026 年 9 月將迎來期待已久的全新展館，亞洲展區將延續其薈萃藝術與創新的中心的角色，為買家帶來集永恆與時尚於一身的設計，凸顯亞洲在全球珠寶舞台上日益重要的角色。一月展，不僅是新年的開始，更是傳統與創新、東西文化的融合。

FULL OF GOOD VIBES – HKJJA CELEBRATIONS IN 2025 2025 年香港珠寶玉石廠商會慶典

The year of 2025 has been a vibrant and meaningful year for the Hong Kong Jewellery & Jade Manufacturers Association (HKJJA). Not only does it mark the Association's 60th anniversary, it has also been a year rich in major celebrations, industry recognition and significant milestones that underscore Hong Kong's enduring role on the global jewellery stage. The following recap highlights the defining moments that shaped this remarkable year.

二零二五年是香港珠寶玉石廠商會成立 60 周年，對商會而言意義非凡。全年都充滿了各項重大慶祝活動、業界認可與里程碑，彰顯了香港在全球珠寶業的重要地位。讓我們一起回顧鑄就這輝煌一年的關鍵時刻。

All the guests and speakers took a group photo.

(From left) President & Director Benedict Sin, Honorary President & Director Billy Lau, Chairman Victor Chan, President of the ASEAN Gems & Jewellery Association Suttipong Damrongsakul, and Honorary Chairman & Director Cheung King Yau presided over the opening ceremony of the conference.

(左起) 冼雅恩理事長兼理事、劉偉光榮譽理事長兼理事、陳偉立會長、東盟珠寶貿易協會會長 Suttipong Damrongsakul 及張敬猷榮譽會長兼理事一同主持會議啟動儀式。

On 18 September 2025, HKJJA commemorated its Diamond Jubilee with a celebratory event held at the Hong Kong Convention and Exhibition Centre. A key highlight of the day was the 2025 ASEAN Gems & Jewellery Association (AGJA) Summit, which took place concurrently with the September Hong Kong Jewellery & Gem Fair.

Founded in 1988, AGJA brings together jewellery trade organisations from Brunei, Cambodia, Mainland China, Hong Kong, Laos, Malaysia, Myanmar, the Philippines, Thailand, Vietnam and other Asian regions. Its mission is to foster cooperation and development within Southeast Asia's jewellery industry, strengthen connections with global markets, and promote the sector's sustainable growth.

The summit gathered industry leaders from Hong Kong, ASEAN countries, Europe, the United States and beyond to explore opportunities for regional collaboration, the development of a unified jewellery network, and the fast-rising potential of the ASEAN market. Digital transformation was also brought to the forefront by Tencent Smart Retail, with insightful discussions on how smart retail solutions are reshaping operational efficiency, business growth and customer engagement. With more than 600 million young, tech-driven consumers, ASEAN continues to be a powerful strategic partner for Hong Kong's jewellery industry.

That evening, the Association hosted the "60th Anniversary Celebration Banquet cum 37th Term (2024–2026) Council of Management Inauguration Ceremony of HKJJA" at Hopewell Hotel Hong Kong. The inauguration marked not only the commencement of a new Council of Management, but also the

continuation of six decades of dedication, leadership and vision. The occasion celebrated HKJJA's milestones alongside industry peers and reaffirmed Hong Kong's strong standing and forward-looking aspirations on the global jewellery stage.

For HKJJA, the Diamond Jubilee represented far more than a celebration of heritage; it was a clear reaffirmation of the Association's commitment to global collaboration. The AGJA Summit, in particular, highlighted Hong Kong's pivotal role in shaping the future of the international jewellery industry.

As the New Year approaches, HKJJA continues to build on its legacy with renewed energy and a global outlook. The achievements of 2025 reaffirm the Association's unwavering commitment to innovation, collaboration and the nurturing of future talent — paving the way for an even brighter chapter ahead.

在 9 月 18 日，商會假香港會議展覽中心舉行成立 60 周年鑽禧慶典。當中於九月香港珠寶首飾展覽會期間舉行的「2025 年東盟珠寶貿易協會高峰會議」，就是其中一個重點項目。

東盟珠寶貿易協會 (AGJA) 成立於 1988 年，由汶萊、柬埔寨、中國、香港、老撾、馬來西亞、緬甸、菲律賓、泰國、越南等亞洲地區的珠寶貿易組織共同組成，旨在推動東南亞區內珠寶業的合作與發展，促進與全球珠寶市場的交流，確保行業的可持續發展。

是次高峰會議匯聚香港、東盟各國及歐美各地之業界領袖，共同探討區域協作與建立統一珠寶網絡的方向，以及東盟市場迅速崛起所帶來的商機。會議邀得騰訊智慧零售部一同探討數碼轉型的議題，討論智能零售如何提升營運效率、推動增長及加強顧客互動。未來，相信香港與區內各地將有巨大合作空間，共同探索擁有逾六億年輕科技型消費者的東盟市場。

會議當天的晚上，商會於香港合和酒店舉行盛大的「香港珠寶玉石廠商會 60 周年暨第 37 屆理事會就職晚宴」。晚宴氣氛熱烈，新一屆理事會承接 60 年的基礎與願景，帶領業界迎向新時代，亦讓同業共同見證商會的重要里程碑，展示香港珠寶業在國際舞台上的堅實地位與未來發展方向。

商會一直推動創新與跨區合作。2025 年的鑽禧慶典不僅回顧各項成就與貢獻，更展示推動全球合作的決心。高峰會議亦進一步印證香港在珠寶業未來發展中的關鍵角色。踏入新一年，商會將以更堅實的基礎與更廣闊的視野邁步向前。二零二五年的豐碩成果再次肯定商會在創新、合作與人才培育上的承擔，為未來發展寫下更精彩的一頁。

A Missed Moment of Honor

We were truly honoured to invite Mr. Andrea Turcato all the way from Italy to join us in celebrating our 60th anniversary in Hong Kong. Unfortunately, due to an unexpected adjustment in the programme, his presence was regrettably overlooked.

Mr. Turcato is a visionary who transformed the Vicenza Jewellery Exhibition into an international platform, opening doors for jewellers worldwide to showcase their artistry. Today, Vicenzaoro stands as one of Europe's most prestigious and influential jewellery fairs.

Hong Kong's jewellery community owes him a debt of gratitude for his pioneering efforts that have shaped global opportunities for our industry. Let us extend our heartfelt appreciation to Mr. Turcato for his remarkable contribution.

Presentation of the appreciation trophy to long-standing working partner.
頒贈感謝狀予多個合作悠久的珠寶展覽主辦機構。

錯失的致敬時刻

我們非常榮幸邀請了意大利的 Andrea Turcato 先生遠道而來，出席本會在香港舉行的六十週年慶典。然而，因當晚節目臨時調整的疏忽，他的出席竟未獲應有的重視，實在令人遺憾。

Turcato 先生是一位具有遠見的先驅，他將意大利維琴察珠寶展打造成國際平台，讓世界各地的珠寶商得以此展示精湛工藝。如今，維琴察珠寶展已成為歐洲最具影響力和聲望的珠寶盛會之一。

香港珠寶業界應向他致以最誠摯的感謝，感謝他為全球珠寶業創造了無限機遇。讓我們向 Turcato 先生的卓越貢獻致敬。

第三十七屆（2024-2026）理事會就職典禮

37th Term (2024-2026) Council of Management Inauguration Ceremony

37th Term Council of Management Inauguration Ceremony was presided over by officiating guest — Hon CHEUK Wing-hing, GBS, JP, Deputy Chief Secretary for Administration of HKSAR.

主禮嘉賓政務司副司長卓永興，GBS, JP 主持第三十七屆理事會就職儀式。

The toasting ceremony was lively and enthusiastic.
祝酒儀式氣氛熱烈。

The 2025 Honours List appointments were published in the Government Gazette on 1 July. HKJJA Vice Chairman Mr Chau Chun-tat, Danny was awarded the Medal of Honour (MH) in recognition of his dedicated and valuable community service in the Yuen Long District, particularly his contributions to the development of Pok Oi Hospital and his support for offenders' rehabilitation. Mr Chau has long been an active and committed member of HKJJA, enthusiastically participating in the Association's various initiatives and affairs.

今年 7 月 1 日香港特區政府於憲報刊登授勳名單上，本會副會長周駿達先生獲頒授榮譽勳章，表揚他盡心竭力為元朗區服務，尤其致力推動博愛醫院的發展，並積極支持更生工作，貢獻良多。周副會長亦活躍於商會會務，積極關心香港珠寶業的發展。

Mr Benedict Sin, president and director of HKJJA, was conferred an Honorary Degree of Hong Kong Metropolitan University 2025 in recognition of his highly valued contributions to HKMU and the wider community. The conferment ceremony was held at the Jockey Club Grand Theatre, Jockey Club Institute of Healthcare, Hong Kong Metropolitan University, on 7 December 2025. Directors of HKJJA were invited to attend the ceremony and share in this joyous occasion.

另外，冼雅恩理事長兼理事榮獲香港都會大學頒授 2025 年度榮譽博士學位。學位頒授典禮於 12 月 8 日在香港都會大學賽馬會健康護理學院賽馬會學藝館舉行。本會理事們一同出席共享喜悅。

On 20 November 2025, Dr Richard Lee, Honorary Advisor (Jade), and Mr Stanley Chu, Jade Elite member, were appointed as consultants of the 5th-term Jade Branch of the Gems & Jewelry Trade Association of China.

二零二五年 11 月 20 日，本會理事會顧問（玉石）李承光醫生及玉石翹楚成員朱錦榮先生出任中國珠寶玉石首飾行業協會第五屆玉石分會顧問證書。

Dr Richard Lee and Mr Stanley Chu being conferred the Consultant Certificates of the 5th Jade Branch of the Gems & Jewelry Trade Association of China
李承光醫生及朱錦榮先生於北京獲頒中國珠寶玉石首飾行業協會第五屆玉石分會顧問證書。

On 31 October 2025, Ms Yukking Hui, HKJJA director and JJA Junior Committee member, was awarded the DFA Hong Kong Young Design Talent Award 2025, organised by the Hong Kong Design Centre. The award recognises emerging designers who demonstrate outstanding creativity and vision, alongside a strong commitment to environmental sustainability and the future of society. Award recipients will receive funding to pursue work or study opportunities overseas, promoting the development of Hong Kong's creative industry through cross-cultural exchange, the integration of diverse media and in-depth professional dialogue.

本會理事兼菁英委員會成員許玉瓊女士於 10 月 31 日榮獲由香港設計中心主辦之「DFA 香港青年設計才俊獎 2025」，以突破性的創意和對環境可持續發展及社會未來的深切承擔獲得評審的認同。比賽得獎者獲資助遠赴海外進修或工作，透過融合多元媒介形式，推動本地創意產業的發展，促進創新交流與深層對話。

FROM LEGACY TO INNOVATION: HUI YUK KING ON HERITAGE, CREATIVITY & SUSTAINABILITY 珠寶的承傳、創新及可持續性：與設計師許玉瓊對話

Launched by the Hong Kong Design Centre, the DFA Hong Kong Young Design Talent Award (HKYDTA) is dedicated to nurturing emerging design practitioners and graduates by encouraging creativity, originality and forward-looking ideas. Among the awardees of HKYDTA 2025, Ms Hui Yuk King, founder of Ikku Fine Jewellery, shares her journey in the jewellery world, her design inspirations, and her aspirations for the next generation of Hong Kong's jewellery industry.

HKJM : Hong Kong Jewellery

YK : Hui Yuk King

HKJM : You grew up in a jewellery family. How has that heritage shaped your approach to design?

YK : Growing up in a jewellery family gave me a deep appreciation of craftsmanship and the artistry behind creating fine jewellery. This foundation inspired me to explore new techniques and materials. I focus on combining traditional expertise with innovative approaches, resulting in designs that feel both timeless and contemporary.

HKJM : What inspired you to launch Ikku Fine Jewellery during the pandemic?

YK : Launching Ikku Fine Jewellery during the pandemic was driven by a desire to create meaningful connections. I saw a need for beautifully designed, reasonably priced pieces that could uplift spirits during a challenging time. I wanted to offer jewellery that not only enhances personal style but also serves as a reminder of resilience and hope.

HKJM : Nature plays a significant role in your work. How do you translate its beauty into wearable art?

YK : Nature is my greatest muse. I draw inspiration from its forms, colours and textures, translating them into unique jewellery pieces. Whether it is the delicate curve of a leaf or the vibrant hues of a sunset, I aim to capture these elements in my designs. Each piece allows the wearer to carry a small expression of nature's beauty with them.

HKJM : Sustainability is central to your brand. Which ethical practices matter most to you?

Works by Ikku Fine Jewellery, the brand founded by Hui Yuk King.
許玉瓊創立的品牌 Ikku Fine Jewellery 的作品。

Hui Yuk King and her work 'Where Dreams Lie' have won awards in different competitions, including the 23rd Hong Kong Jewellery Design Competition - Best of Show Award of Open Group (2022) and the A'Design Award Winner (2023).

許玉瓊與其作品「夢在這裏」在多項比賽中獲獎，包括 2022 年第 23 屆香港珠寶設計比賽公開組大獎及 2023 年意大利 A' 設計比賽 -A' 設計大獎。

YK : At Ikku, sustainability is fundamental, inspired by my deep respect for nature. I strive to make thoughtful material choices, favouring responsibly sourced gemstones and recycled metals wherever possible. While my goal is to create beautiful, timeless pieces that minimise waste, I recognise that sustainability is an ongoing journey. I am committed to continually refining my practices and exploring new ways to create a positive impact through my work.

HKJM : How do you select the right gemstones and materials to tell your stories?

YK : Choosing gemstones and materials is a deeply personal process. I consider not only their visual appeal, but also their origin and the stories they carry. Each stone has its own character, and I select those that resonate with the emotions I want to express, allowing each design to convey a narrative that goes beyond aesthetics.

HKJM : Winning the DFA Hong Kong Young Design Talent Award must be particularly meaningful. How has it influenced your journey?

YK : Winning the DFA Hong Kong Young Design Talent Award was a significant milestone that affirmed my vision and efforts. It has motivated me to push creative boundaries and continue evolving as a designer. The recognition has opened doors to collaboration and mentorship, enabling me to connect with like-minded creatives and to develop valuable skills in branding and storytelling. I am committed to gaining a more holistic understanding of design to further strengthen my practice.

HKJM : You have studied and worked in both London and Hong Kong. How do these two worlds shape your perspective?

YK : My experiences in London and Hong Kong have given me a rich, multicultural perspective. London's design heritage and spirit of innovation influence my artistic approach, while Hong Kong's dynamic market and its unique East-meets-West character inspire me to create jewellery that is contemporary yet culturally relevant. This dual influence enriches my designs and broadens my understanding of global jewellery trends.

HKJM : As a director and head of JJA's Junior Committee, what is your vision for the next generation of Hong Kong jewellery designers?

YK : My vision is to inspire a new generation of Hong Kong jewellery designers who value collaboration, innovation and sustainability. I encourage young talents to embrace their individual identities and cultural narratives, creating designs that resonate on a global level.

By offering mentorship and resources, we can empower them to craft meaningful jewellery that reflects their own stories. Together, we can ensure that Hong Kong's jewellery — rooted in masterful craftsmanship and responsible practices — continues to shine on the world stage as a timeless expression of artistry.

由

香港設計中心主辦的「DFA 香港青年設計才俊獎」(HKYDTA)，旨在培育新晉設計師，鼓勵創意與活力。《香港珠寶》最近訪問了 2025 年度 HKYDTA 的得獎者兼 Ikku Fine Jewellery 創辦人許玉瓊女士，與讀者分享她的珠寶世界，一同遊走於她的設計旅程，探索她的創作靈感，以及對香港珠寶業新一代的期許。

HKJM : 《香港珠寶》

YK : 許玉瓊

HKJM : 妳自小在珠寶世家成長，這背景對妳的設計理念有何影響？

YK : 出身珠寶世家讓我深刻理解工藝與美學的重要性。這背景啟發我探索新技術與新材料，並在設計中結合傳統專業與創新方法，創造出既經典又時尚的作品。

HKJM : 妳在疫情期間創立 Ikku Fine Jewellery。為何有這個決定？

YK : 在疫情中，我希望通過珠寶首飾與消費者建立有意義的連繫。當時，我看到社會需要一些設計優雅而價格合理的作品來鼓勵人心。Ikku Fine Jewellery 的誕生，就是要提供能提升個人品味，同時提醒大家要以堅毅和積極的態度面對未來的珠寶。

HKJM : 大自然在妳的作品中佔有重要地位。妳如何將它化為可佩戴的藝術？

YK : 大自然是我最大的靈感泉源。我從它的形態、色彩與質感汲取靈感，並轉化為獨特的珠寶作品。無論是葉子的曲線，抑或夕陽的色彩，我都希望能將這些元素融入設計，讓消費者隨身攜帶一份自然的美麗。

HKJM : 可持續性是妳品牌的核心，妳最重視哪些方面？

YK : 在 Ikku Fine Jewellery，可持續性源於我對大自然的深厚情感。我採用合法且可持續來源的寶石與再生金屬進行生產，並努力在設計中減少浪費。雖然可持續是一段持續的旅程，但我承諾不斷探索與改進，讓作品在美麗之餘也能帶來正面影響。

HKJM : 妳如何挑選合適寶石與物料來敘述故事？

YK : 挑選寶石與物料對我來說是很個人的。我不僅考慮它們的外觀，也重視其來源與背後的故事。每顆寶石都有其特質，我希望挑選出與設計情感產生共鳴的物料，讓作品超越美感，傳遞更深層的敘事。

HKJM : 獲得 DFA 青年設計才俊獎對你來說有何意義？

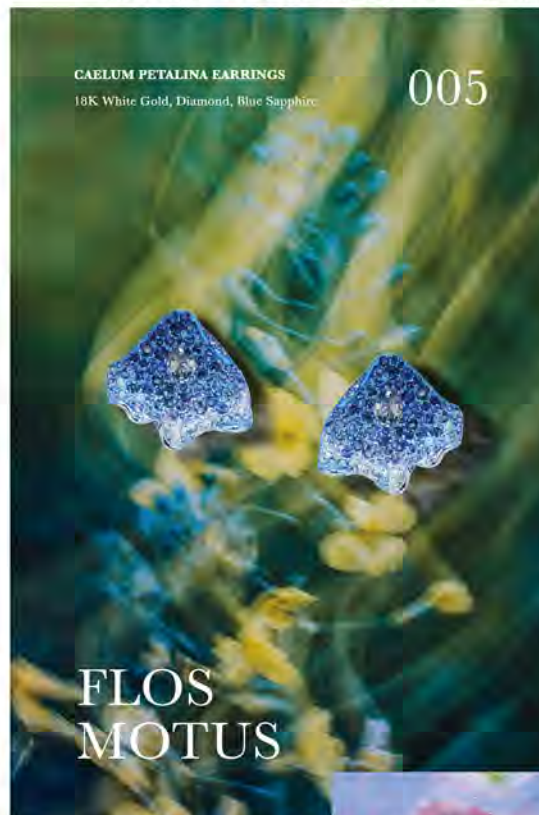

YK : 對我來說，這是一個重要的里程碑。獎項肯定了我的理念與努力。它激勵我持續突破界限，並在設計中不斷進化。這項殊榮也為我帶來合作與指導的機會，讓我與志同道合的創作人交流，並學習品牌與故事敘述的技巧。我希望能建立更全面的設計視野，進一步提升自己的能力。

HKJM : 妳曾在倫敦和香港兩地學習及工作，這些經驗如何擴闊妳的視野？

YK : 倫敦的設計底蘊與創新精神啟發了我的藝術思維，而香港的市場活力與獨特的中西文化則激發我創作出兼具當代感與文化共鳴的作品。這種雙重文化背景豐富了我的設計，也讓我加深對全球珠寶趨勢的理解和掌握。

HKJM : 作為香港珠寶玉石廠商會理事及商會菁英小組召集人，妳對新一代香港珠寶設計師有何願景？

YK : 我希望啟發新一代設計師重視合作、創新與可持續性發展。我認為年輕設計師應該擁抱自身的身份與文化故事，創作出能在全球引起共鳴的作品。希望透過提供指導與資源，我們能幫助他們製作更具意義的珠寶首飾，讓香港設計在國際舞台上大放異彩，成為永恆的藝術品。

T.Gold + METS Pavilion: Where craft meets innovation

Among the glittering displays of finished jewellery at this March's Hong Kong International Jewellery Show, the T.Gold + METS Pavilion offers a captivating alternative. Here, the focus shifts from gemstones and design to machinery, tools, and technology that enable artistic creation.

This dedicated pavilion assembles leading international exhibitors who form the backbone of jewellery production, offering everything from precision casting and polishing equipment to advanced automation and sustainable manufacturing solutions. T.Gold, renowned in Italy as the premier showcase for jewellery machinery, brings its expertise to Hong Kong, forging a connection between traditional craftsmanship and modern innovation. Meanwhile, METS is celebrated for its comprehensive range of supplies. Together, we create a platform where craftsmanship meets innovation, and where imagination transform into reality.

T.Gold + METS 展館：工藝與創新交匯之地

在三月香港國際珠寶展一遍閃爍生輝的珠寶當中，T.Gold + METS 展館為買家帶來不一樣的魅力，焦點從璀璨奪目的寶石與珠寶轉向成就藝術創作的機械、工具和技術。

這個專屬展館匯聚了來自世界各地的頂尖參展商，展示珠寶製作的核心支柱，從精密鑄造與拋光設備，到先進的自動化技術與可持續的製造方案。T.Gold 作為意大利最具代表性的珠寶機械展，將其專業帶到香港，搭建起傳統工藝與現代創新的橋樑；而 METS 則以包羅萬有的供應鏈著稱，涵蓋材料、零件與專業服務。兩者攜手共創 T.Gold + METS 平台，讓匠心與創新交會，讓想像變成現實。
